

15th of July coup attempt

**WHAT DOES RTE'S STATE OF
EMERGENCY MEAN FOR
WOMEN?**

Exclusion of women from public sphere

- Streets
- TV screens
- Politics
- Public spaces: Schools, mosques
- Working life

WOMEN ARE SUPPORTING ACTORS

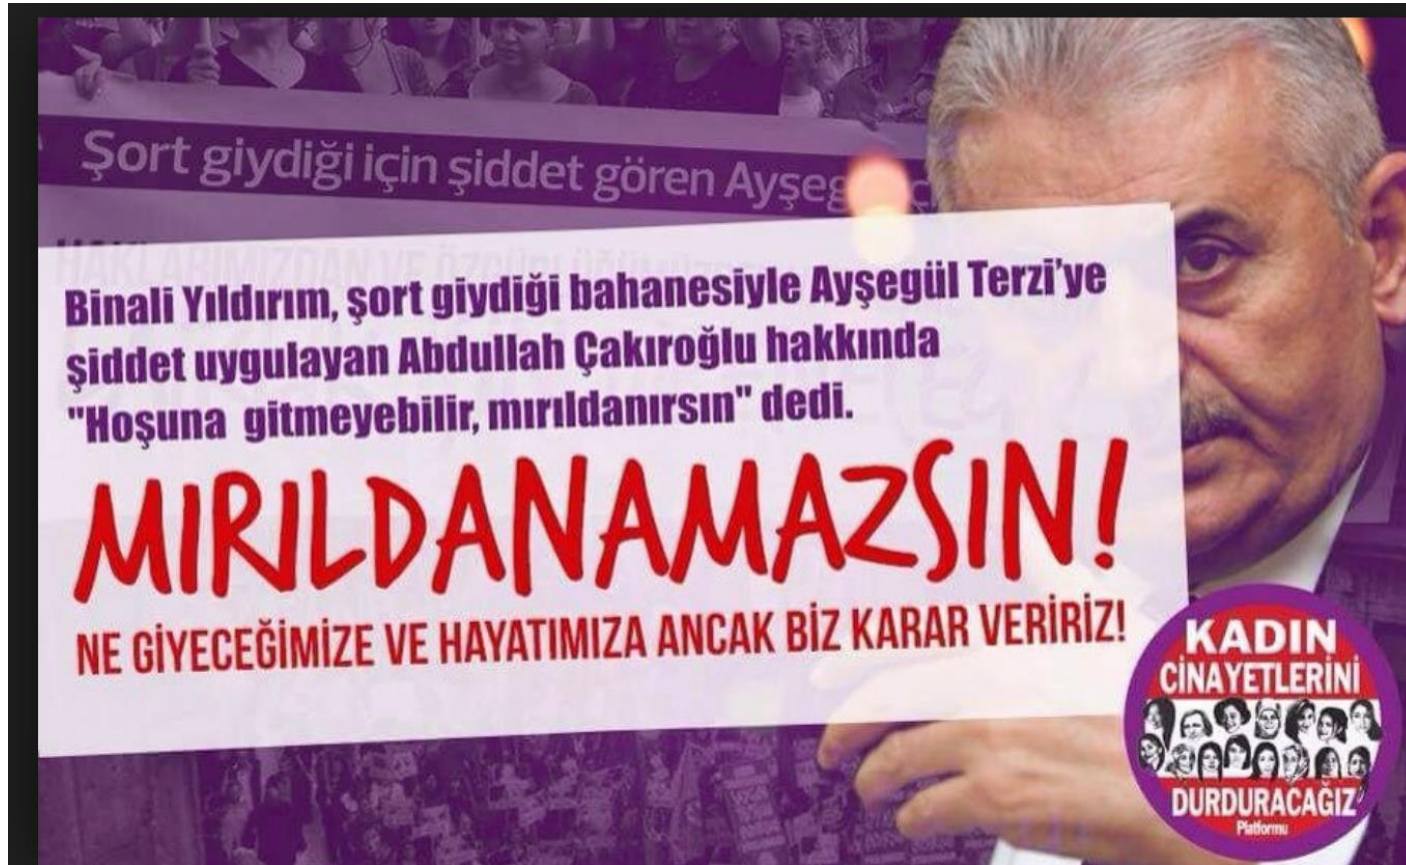

AS OPPOSE TO REAL HEROES

In September this nurse was attacked and beaten by a man in a bus . The man was shouting “Wearing shorts should be punished by death” said witnesses.

#YouCannotMutter

Prime Minister's reaction to the attack on the nurse: You may not like somebody wearing shorts, but you could mutter (your displeasure).

TO DIE LIKE A MAN , TO LIVE LIKE A ‘MADAM’

President Erdoğan: You can die like a man or like a madam

Minister for Family: Turkish women know very well how to die like a man

Wanted: Men to boycott male-only panels on Turkish TV

Security is important, therefore....

“Men are superior. they are the experts in all [security] matters, hence they should be the ones providing analysis.” this is a mentality that ostracizes women from the public domain”

Gender blindness

KADRI GÜRSEL: “Those who demand female discussants on idiot boxes [tvs] — do they wish to watch women who are as illiterate, boorish and arrogant as their male counterparts currently on tv?”

Not like this!

But more like that

Co-mayor of Diyarbakır: Gültan Kışanak

To the AKP government : As women, we promise that our greatest achievement will be to topple your power.

Campaign for segregated education

Cemaat – community is male

“This area is used by the community of this mosque, therefore ladies are kindly asked not to sit here.”
